

St Joseph's
CATHOLIC PARISH PRIMARY SCHOOL **BULLI**
Truth and Light

23 May 2022

Dear Parents and Carers,

The Independent Education Union (IEU) has informed Catholic Education Diocese of Wollongong that their members will engage in protected industrial action on Friday 27 May 2022 for the entire school day.

What this means for you and your child on Friday 27 May 2022

- Limited supervision will be provided at school, but classes will not run as normal.
- You may wish to keep your child at home.
- Any absence from school on this day will not impact your child's attendance record.

As a Catholic employer, we respect the rights of employees to be members of the union and take protected industrial action and we will endeavour to continue in good faith to bargain with the union and reach agreement. We recognise this event may present challenges for school families and we are committed to doing all we can to minimise disruption for your child.

Please contact the school if you require further information.

Sincerely,

Mrs Jen Charadia
Principal

Mr Peter Hill
Director of School
