

## **School fees and Charges for 2024**

School fees at St Patrick's are family fees – we charge only for one child; we do not charge school fees for any other children who are in the school at the same time.

**The basic school fee is \$2,600.00. per annum to be invoiced in full at the beginning of the school year. This is payable by the end of Term 3**

### **Student Levies**

Other charges are made for various activities undertaken during the school year. These levies are per child, not per family. Levies are spent directly on the children's needs for curriculum (texts, art materials, photocopying etc.) excursions, diaries, and Sacramental programmes. As children in each class participate in different activities, the levy is different for each class and is payable by the end of Term 1. Please refer to schedule of levies overleaf.

## **Payment Terms**

All student levies and camp fees must be paid by the end of Term 1.

All other fees are to be paid in full by the end of Term 3.

If your family is leaving the school rebates will be calculated to the end of the next school term. No pro-rata term payments will be issued.

Families enrolling once the school year has commenced will be expected to pay an enrolment fee of \$100 plus any student levies prior to commencing at St Patricks School. No pro-rata term payments will be calculated. Fees will be charged for the full term of commencement.
