“Let your light shine”

RATIONALE:

As members of St. Mary's school, we believe that we should have pride in ourselves and our identity. Our school uniform plays an important part of school culture, identifying who we are and sets a standard that we believe ensures the best possible learning environment for our children.

VISION STATEMENTS

- We are all called to be living witnesses to the Gospel values of love, forgiveness, understanding and respect.
- Every child is given a quality education that provides them with the knowledge, skills and values to make informed decisions as committed contributors to society.
- We create and maintain a spirit of social justice and selfless giving, making Jesus real in our everyday lives.

BASIC BELIEFS

- All children are expected to wear our school uniform in accordance with the school's code.
- Wearing of the correct school uniform is displaying respect and responsibility, in accordance with our PBIS rules of behaviour
- The school uniform code should be clear and easily understood.
- All families should have the opportunity to obtain the school uniform.
- The uniform should be practical, comfortable and suitable for the rigours of school life.
- The uniform should be worn appropriately at all times.
- There will be at times, exceptions to the code for safety reasons and children with special needs. These exceptions will be acknowledged by the Principal or Deputy after discussions with parents.

PROTOCOLS AND PROCEDURES

- The school uniform will be readily available from local school uniform shops.
- As part of our commitment to the Pastoral Wellbeing of our community, there may be occasions where the school assists families to obtain school uniforms.
- A note from the child's parent is required when incorrect uniform is worn and presented to the classroom teacher at the commencement of the day.
- If a child is out of uniform a standard uniform note will be sent home to be signed by the child's parents and returned to the child's teacher. If it is determined that a child is out of uniform without a reasonable excuse on a regular basis, the school's Unsatisfactory Behaviour process is put into place: A note of explanation is sent home, accompanied by a 4W form completed by the student and suitable consequences are implemented. If three infringements occur, a meeting with the child's parents and the Principal takes place.
- In the event of family circumstances, the matter should be treated with sensitivity and understanding. The school will endeavour to help families in need to ensure they have access to school uniforms.

- There will be two weeks at the end of term 1 and the start of term 2 as transition from Summer to Winter uniform. There will be two weeks at the end of term 3 and start of term 4 as a transition from Winter to Summer Uniform.
- A consultation process via the School Board will take place to determine the School Uniform Code.
