

Modbury School Playgroup

At Modbury School Playgroup, children and families create meaningful friendships in a safe and welcoming environment.

This is often the first setting where families make connections and develop friendships with Modbury School.

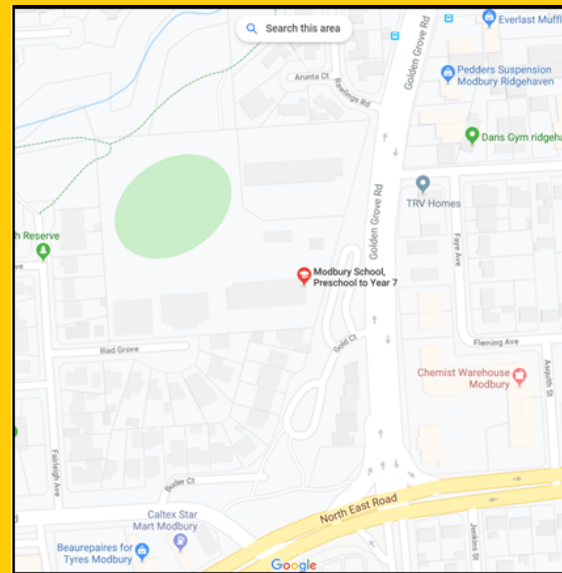

Playgroup is a place where families learn together with children from birth – 5 are welcome to attend.

We understand that children learn through relationships that are shared between families and caregivers. A child's first and most important educator is their family and it is this strong bond that nurtures children to learn.

Modbury School sees Playgroup as an important place for families to learn more about Preschool and gives families their look at transition into the school environment.

Find us just off of Golden Grove Road (Gold Court), opposite Pelican Plaza.
