Marist 5D 29 def. SLC 23	3 – Jackson Real 2 – Kash Webb 1 – Olivier Grammare

## Around the Grounds

### 6A

The boys did a great job sticking with SLC right until the end. A great first half saw us close but a better second half by SLC allowed them to kick away.

### 6B

A phenomenal game by all. Marist was challenged in the 2nd quarter but held their nerve, regained their composure and went on to comfortably win. A great group that deserved their great win.

### 6C

The mighty 6Cs played one of their most solid quarters of football, with a solid defensive effort and spot on clicking. Unfortunately, the game did not end up where the team wanted but an all-round great effort by each and every player.

### 5A

Two early goals from Jack Rayner set the tone, as a strong opening half saw us build an unassailable lead. The boys have been unreal on this winning streak - a true testament to their commitment at training. This well-deserved victory caps off a great season.

**5B**  
Dominant display. Score did not reflect how much ball Marist had in their forward line. Great effort.

**5C**

**5D**  
The boys fought hard today for the win with only one goal difference. They were eager to turn over the ball and bring it down to their goal. Two goals by Jackson Real set the tone for the game and created a solid start for the team's win.
