

GOING TO MELBOURNE GIRLS' COLLEGE NEXT YEAR?

*Here is a chance to be a part of the school community
before you've even got your uniform!*

If you are enrolled at MGC for 2021 and like to write, draw, sing, dance or make any other kind of art, we would love to hear from you.

The Aviso is a page in the MGC Newsletter which showcases students' writing and art in all mediums, and we are very excited to open The Aviso up to future students at Clifton Hill Primary School. If you want your creative work to be seen by the MGC community, this is your opportunity. Why not submit a piece describing your anticipation of secondary school!

Please send your submissions, and any queries to
theaviso@mgc.vic.edu.au or
