Newsletter 2

Term 3, 2019

So far in Term 3, the children have had some great fun in Kelly Club.

Last week we had a great time cooking and preparing food for our cooking week. The children participated in making pancakes, carrot dip and flat bread, rainbow toast, marshmallow houses, jelly and banana oat balls. The children thoroughly enjoyed these activities and they enjoyed eating their finished products even more.

This week we have enjoyed lots of arts and crafts focusing on our music theme. The children have also been enjoying a lot of sports especially soccer. We are looking forward to some more fun activities in Kelly Club over the next few weeks.

Reminder: Please check out our blog to see all the fun from our winter school holiday program.
