

Where are they now...

Jemma Urquhart

Since leaving Moonie SS in 2004, I attended St Ursula's boarding in Toowoomba for Years 8-12, then to Brisbane for a Certificate in Childcare which I worked in during my Bachelor of Creative Industries degree at QUT. Then I moved to Redcliffe with my partner Lachlan Russell (ex Billa Billa local) and did a postgraduate degree in Primary Teaching. We moved to Deception Bay after buying a house there in 2021. I have worked at 4 schools over 7 years, usually in a Prep or Year 1 class and am currently on maternity leave after having our first baby, Daisy. Now I'm enjoying spending a little time on hobbies (I embroider, draw, DIY, garden, read, cycle) and spending time with Daisy.
