'Swoosh' "Phew" said Molly.. Her heart was beating as she dived under her bed! So lets rewind...  Molly is a girl that interfered with a creepy looking devil, she lost a friend and now she's tracking him down! "Tan was that you?" cried Molly. Molly really missed her friend, but she has to put up with it if she wanted to find her. Suddenly a glass hit her tiled floor in the kitchen and then she heard a DISGUSTING gurgling noise. There it was again as tall as could be and it looked like it was holding something... it looked li... "TAN YOUR ALIVE!" shouted Molly as she did her dance, then she ran to Tan forgetting all about the monster. Molly got pulled up into the air and landed on a rough but furry palm of THE Devil In Disguise!!! Yep thats what it's called , and it's been haunting Molly ever since she was 8! Before she fainted she yelled to Tan "Ta...n you... have ... to get t..the video..."

As the sun rose up the monster slowly disappeared and Molly fell to the ground. As she laid there unconscious, Tan ran to Molly screaming her name trying to wake her up.Tan had no idea what Molly said "*video game? Video ? videos of something?*" Tan thought as she cried into her bruised and scratched hands. To Be Continued...
