

St Joseph's Tenterfield

Travel Plans - 2026

It is essential we have a clear understanding of how students travel both to and from school each day. We understand that often there are changes to plans, so **we ask that the school front office is contacted via Email or Phone prior to 2.30pm where possible**, so we can alert the staff on home duty of any changes. Email: tenadmin@arm.catholic.edu.au Ph: 02 67361786

Idea: If your child has several modes of travel, it is a great idea to place a coloured tag on their school bag each morning so your child can remember the day's instructions. Eg Red tag for Bus, Green Tag for Parent Pick-Up etc.
