

February 2024

Como Ward – Warrigal Road, near Childers Street, Mentone – Notification of Changes to Pedestrian Crossing

Background

In response to community concerns about the safety of the crossing on Warrigal Road, near Childers Street, Mentone, Council has liaised with the Department of Transport and Planning (DoTP) and proposed an improved crossing design in November 2022. We understand the importance of pedestrian safety and the DoTP are in the process of reviewing feedback received from residents to make an informed decision on the design of the crossing.

Council Actions

While the DoTP continues its review of the feedback, Council is taking steps to enhance safety and convenience for the local community. As an interim measure, we are implementing temporary safety improvements to the current crossing on Warrigal Road. This action is not a final solution but an immediate response to ensure the safety of all residents and road users until a permanent design is approved.

Please see the diagram below.
