Last week children had many activities to engage in and explore their imagination and creativity, especially on Fridays we provide them with different art stations. They cut out colourful hands to decorate the Big Art wall. Moreover, they started working on Big Art competition templates to be part of bigger community to showcase their artistic talents on national stage. They also had exciting snacks for Friday Party!

The children were having circle time where they discussed about the various activities for the day and showcased the leadership qualities to take responsibilities. They had one of the important parts of their routine, that is to unwind at chillout zone.
