

TheirCare Brighton Beach Newsletter!

Week 7 & 8 Recap!

We have had a great fortnight here at TheirCare Brighton Beach! Our highlight was definitely seeing the children dressed up for their Book Week parade. We celebrated book week at the service with book word searches, make your own book activities and our annual Cat in the Hat drawing competition!

Week 8 is all about animals! Our favourite part has been building our Lego Zoo! Each child has contributed by building an animal for the zoo! Lego Peppa Pig has even made an appearance!

Holiday Program

Bookings are now open for our Spring Holiday Program! We are looking forward to our excursions to Village Cinemas and Chesterfield Farm!

Reminders:

Now that spring has sprung all children must wear a hat for outdoor play! Please remember to pack a hat in their school bags!

A reminder to please cancel your booking if your child will no longer be attending a session!
