

We would like to acknowledge the traditional custodians of this land. We pay our respects to the elders both past, present and emerging.

### JUNGLE WEEK

Jungle Week at OSHC was full of fun with crafts, stories, and games about jungles, helping kids learn about animals and plants while playing and working together. Some highlights were our jungle themed scavenger hunt, binocular making and colouring!

### AROUND THE WORLD

Around the World Week at OSHC took kids on a global journey through crafts, games, and stories, teaching them about different cultures, landmarks, and traditions in a fun, interactive way. We voyaged through flag trivia, origami and passport making!

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator.
