

Hindi Diwas 2021

Hindi was adopted as the official language of India by the Indian Constituent Assembly on September 14, 1949. To commemorate the event and raise awareness about the language, Hindi Diwas is celebrated on September 14 every year. Five of our students represented Girraween Public School in a poetry recital competition, which was celebrated by an organisation outside school. These students recited short poems in Hindi. Anisha Ahuja was fortunate to recite her poem on air for India Link Radio. Here are the snapshots of their poems:

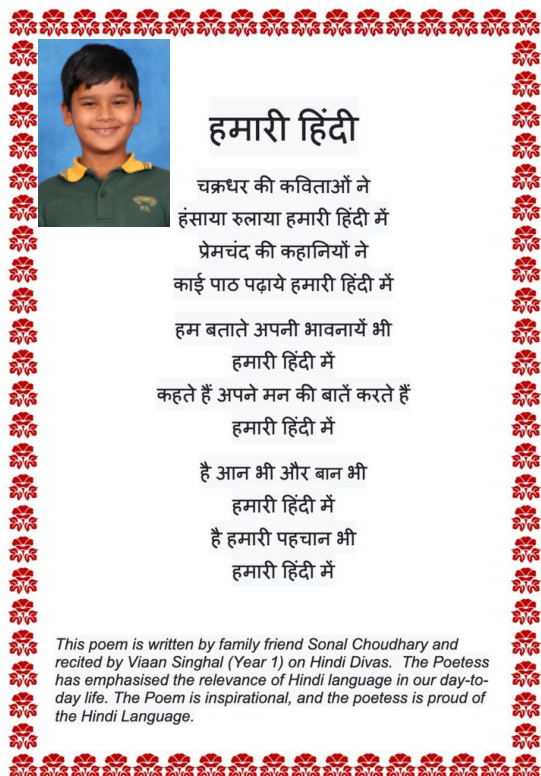

मिहिका गारिया (Mihika Garia)

Ek Saaman (Hindi poem)
"Hoi koi bhi desh, hoi koi bhi dharam,
Sab ko dikhte hai yeh ek saaman"

The beauty of the sky is depicted through the shining sun with golden rays in the day and the mesmerizing twinkling stars at night. Despite the diversity of the world, we all come together as one, irrespective of our cultural differences, to view the magical sky.

This poem is written by family friend Sonal Choudhary and recited by Vian Singh (Year 1) on Hindi Divas. The Poetess has emphasised the relevance of Hindi language in our day-to-day life. The Poem is inspirational, and the poetess is proud of the Hindi Language.

चांद का कुर्ता

हठ कर बैठा चांद एक दिन, माता से यह बोला,
सिलवा दो माँ मुझे ऊन का मोटा एक झिगोला।

सनसन चलती हवा रात भर, जाड़े से मरता हूँ,
ठिठुर-ठिठुरकर किसी तरह यात्रा पूरी करता हूँ।

आसमान का सफर और यह मौसम है जाड़े का,
न हो अगर तो ला दो कुर्ता ही कोई भाड़े का।

बच्चे की सुन बात कहा माता ने, अरे सलोने!
कुशल करें भगवान, लगे मत तुझको जादू-टोने।

जाड़े की तो बात ठीक है, पर मैं तो डरती हूँ,
एक नाप में कभी नहीं तुझको देखा करती हूँ।

कभी एक अंगुल भर चौड़ा, कभी एक फुट मोटा,
बड़ा किसी दिन हो जाता है, और किसी दिन छोटा।

घटता-बढ़ता रोज किसी दिन ऐसा भी करता है,
नहीं किसी की भी आँखों को दिखलाई पड़ता है।

अब तू ही ये बता, नाप तेरा किस रोज लिवाएँ,
सी दें एक झिगोला जो हर रोज बदन में आए?

Blurb-

In this poem, the moon demands his mother for a thick woolen tunic stitched for him because he must travel through the night sky facing the cold and harsh winds. The mother knows this is true but perturbed about the size of the cloth because the moon is always of different size. He is never the same for two consecutive days. **Arjun Sharma 6P**

कोशिश कर (आगे बढ़ना)

कोशिश कर, इस निकलेगा,
आज नहीं तो, कल निकलेगा।

आँसू का सफ़ाया रख, मिथाना बना,
मददगार से भी फिर, जल निकलेगा।

मेहनत कर, पौधों को पानी दे,
बंजर में भी फिर, फल निकलेगा।

साफ़ जूटा, हिमनल को आग दे,
पीसाद का भी, फिर बल निकलेगा।

सीने में उम्मीदों को, ज़िंदा रख,
समंदर से भी, गंगाजल निकलेगा।

कोशिश जारी रख, कुछ कर नुजस्ने की,
जो कुछ थमा-थमा है, फल निकलेगा।

कोशिश कर, इस निकलेगा

आज नहीं तो, कल निकलेगा।

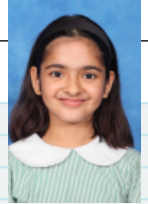

This poem is about continuously trying while not giving up. It shows that when you try hard the unexpected can occur. Till the end it gives a numerous number of examples why you shouldn't give up and what you can achieve. Dhanyawad.

Let's save the environment - Anisha Ahuja 4S

Translated excerpt –Hey dear. Let's save the environment. This is the message from the nature including the plants around us.

This environment provided us the 'Life' and we humans have responded back by destroying it. Let's mend our ways and do not bleed these innocent plants unnecessarily. This is of no use to take bath in holy waters to get rid of our sins - rather we should focus on cleaning the polluted resources and planting more trees. Then it will be more meaningful to take a swim in those clean natural waters. Hey dear. Let's save the environment.

"PARAYAVARAN BACHAO

Prakarti ka Sandesh yehi hai

Podho ne bhi yehi kahi hai

PARAYAVARAN BACHAO BHAIIYA PARAYAVARAN BACHAO

Jis Parayavaran ne Manav ko jivan rupi labh diya

Us manav ne badle mein tbahi aur vinasht diya

Ab na un nirdosh ka yuhi khoon bahayo

PARAYAVARAN BACHAO BHAIIYA PARAYAVARAN BACHAO

In Papo ke prayapshitt mein Ganga sanan vyarth hai

Is ke badle mein kuch pedh lagao toh uska koi arth hai

Pardushitt Ganga ko sudaro phir usme nahao

PARAYAVARAN BACHAO BHAIIYA PARAYAVARAN BACHAO"
