MONDAY 17 MARCH #6

BEHIND THE JOB: Music Therapist

🔍 What are their strengths?

- Musical skills and knowledge
- Strong interpersonal and listening skills
- Creativity in adapting music to different needs
- Empathy and patience
- Understanding of psychological and therapeutic principles

🔍 What do they do?

Music Therapists use music to support people's mental, emotional, and physical well-being. They work with individuals of all ages, including those with disabilities, mental health conditions, or chronic illnesses, using music to improve communication, mood, and cognitive skills.

📚 How do they get started?

A Bachelor's or Master's degree in Music Therapy is required for professional practice.
