Match Reports from the Courts

6A

6B

Our final outing of the season came against a strong Padua side, and despite our best efforts we couldn't quite finish on the result we wanted. After an early Friday morning training session, the boys looked a little slow coming out of the gate, which meant we were chasing the game from the start. Padua set the pace and made us work hard, but true to our character, we didn't drop our heads.

The group showed great resilience to mount a late comeback and fought right until the final whistle. Unfortunately, it wasn't enough on the scoreboard this time.

While the result didn't fall our way, I want to express my gratitude to every single player in this team. The effort, commitment, and hard work you've put in this season — both at training and on game day has been outstanding. More importantly, the fun, the friendships, and the way you've represented yourselves and each other is something to be proud of.

Thank you, boys, for a great season. It's been a privilege to coach you and to watch you grow together on and off the court.

6C

Tough outing in the last game of the 6C, going down 28–15, but there were plenty of positives with Sidney Davidson earning Player of the Match for his outstanding defence and ability to turn stops into fast-break opportunities. Overall, it's been an amazing season where we've improved a lot, grown stronger as a team, and shown how much effort and commitment everyone has put in.

Basketball Match Report

Padua College 41 def. Marist 18

MVP: Kielland O'Brien

The final game of the season saw Marist 5A go down 41–18 to Padua College, but the scoreline tells only part of the story. This season has been defined not by wins and losses, but by development, effort, and enjoyment.

Primary AIC Sport is about learning new skills, growing as teammates, and most importantly, having fun. The boys of the Marist 5A basketball team have come such a long way in such a short time, showing improvement every week. Hopefully, this season has sparked a lifelong love of basketball.

Special mention goes to each member of the squad:

- #1 Nate Hodgetts**
- #23 Tristan Nicoletti**
- #28 Kielland O'Brien**
- #32 Anderson Wild**
- #38 Hunter Ward**
- #63 Kai McKenna**
- #82 Tobin Kennedy**

MVP Kielland O'Brien capped off the season with a strong performance, leading by example in the paint. Every player contributed to the team's growth and spirit, and they should be proud of their journey.

Thank you to the boys for a great season—your effort, resilience, and enthusiasm have been outstanding.

5B

Following a tough loss to Villanova, Marist College 5Bs was determined to respond and they did just that with a big win against Padua College.

The first two quarters went back-and-forth with both teams only being able to gain a two point lead but the Marist 5Bs were able to pull away late in the fourth quarter with a few tough shots from Jack Abrams and Liam Carman. Henry Krinke pulled off a few massive defensive plays to help set up the win for Marist. The 5Bs stuck to the game plan and had their best performance of the year to finish their season on a high.

5C

The 5C team bounced back from their big loss last week to win a close one 19-16 against Padua this week. The boys in this team (many of whom are playing their first ever season of basketball) have finished the season playing like a team out on court rather than a group of individuals playing

basketball alongside each other.

Jasper Kallio played really well today, especially in utilising his speed in bringing the ball down the court and Will Neilsen again caused lots of problems for the opposition under the basket at both ends. Eddie Kieseker in his usual fashion worked hard all game. And Player of the Match Kingston Shacklady had a great game making good decisions in offense and working really hard to get lots of ball in defence.

Thanks for a great season of basketball lads. We have really enjoyed coaching you and hope to see you all back playing basketball for Marist again next year.

5D

The Marist teamwork was terrific!

Down to seven players with Alex away the boys were ready to give 110%.

From the first touch of the ball they proved just that!

Great teamwork, excellent shooting and overall, a superb effort saw the boys victorious defeating Padua 28-6.

The boys skipped away to a very handy lead by halftime with Padua deciding to attack more in the second half however Marist held their own and we came away with another win for the last game of the season.

Lucas, Nate, Carter, Noah, Austin, Harry and Maverick all showed spectators, and coaches, how a team works well together.

Matt and I have enjoyed watching the boys improve throughout the season. Overall we only had three losses in 8 games including the trial.

With a loss of six points in the final minutes to Iona, another close loss in a very low scoring game to Laurie's and of course last week's game against Villa, all boys should be very happy with their development over a very short season. We hope they have enjoyed it as much as we have and look forward to watching them play next year and into high school.
