

New Parent/Guardian Set Up

Welcome Home!

This article shows **new parent/guardian users** how to set up their accounts for the first time, step by step.

As a parent/guardian, you have access to up to three of our platforms:

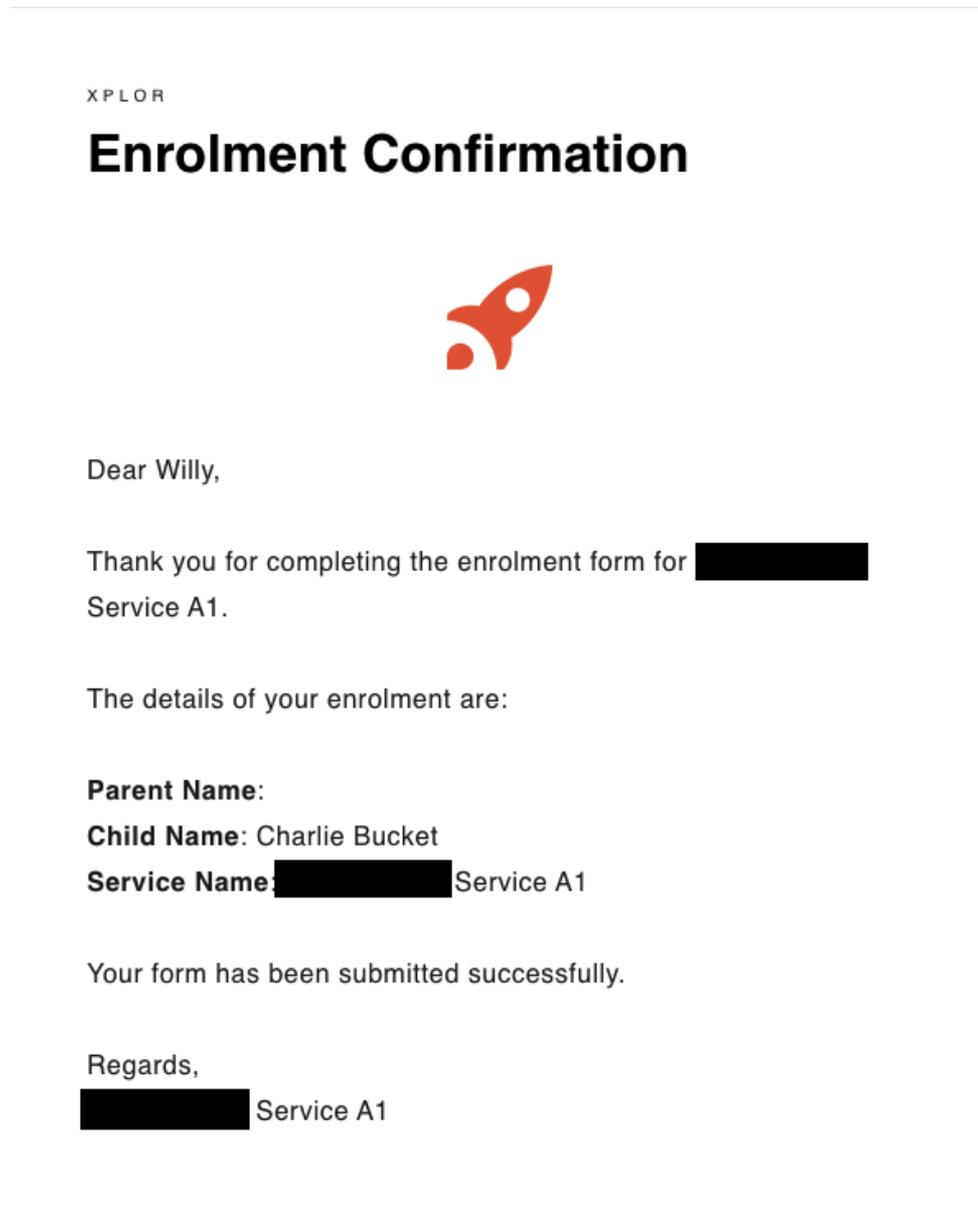

1. Home App
2. Home Web
3. The HUB

Note: This process is initiated by the childcare service, which will generate a welcome email to your preferred email address. The steps below take you through how to accept the invite and get your parent, or guardian, profile set up.

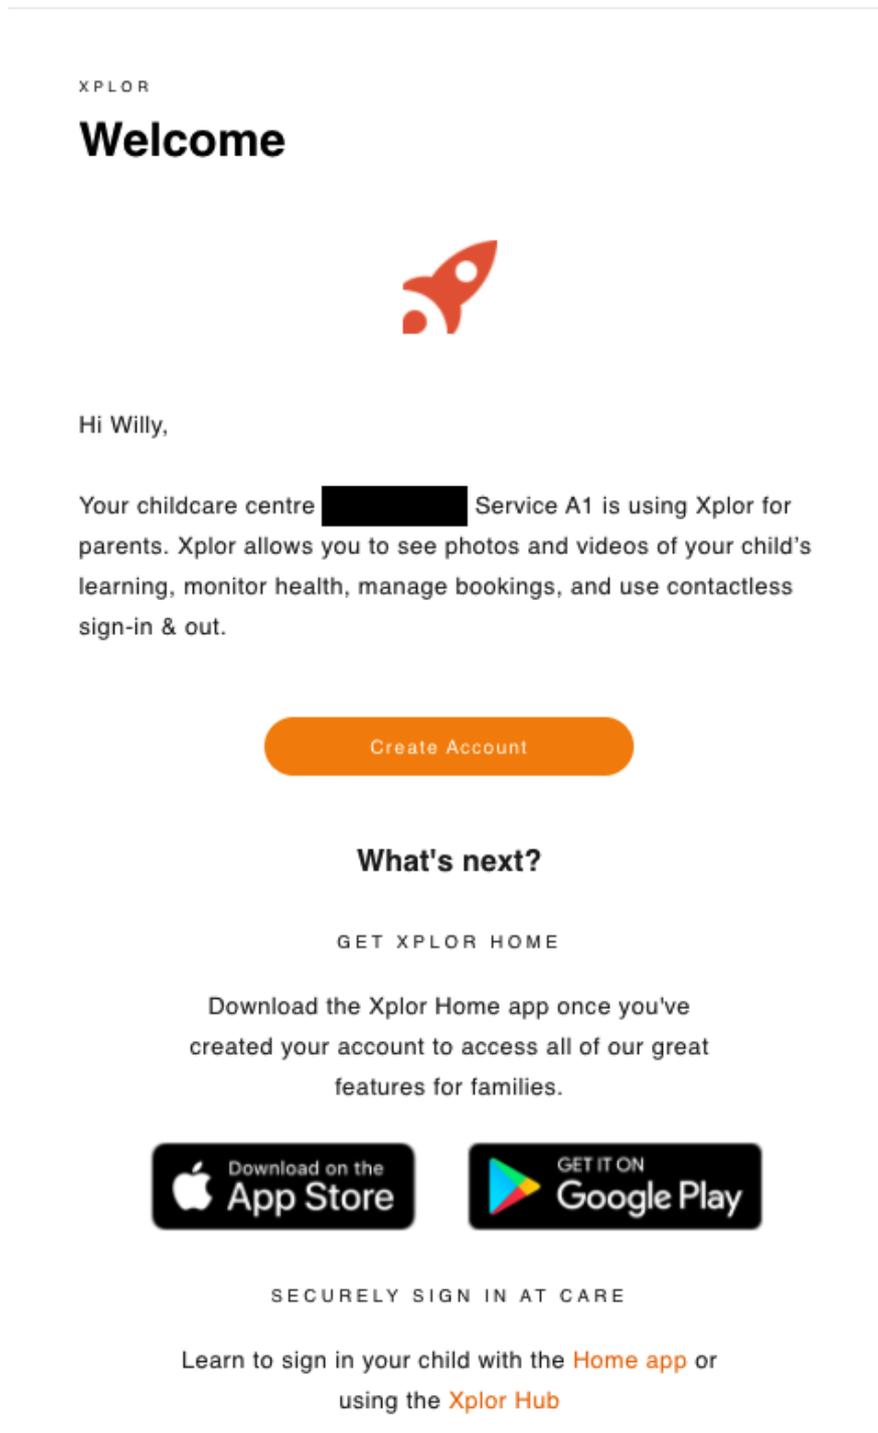

1. Create Your Parent/Guardian Account

After you have completed the enrolment form for your centre, you will receive a confirmation email that looks like this:

Once the centre has finalised your information and made your child active, you will receive a Welcome email that looks like this:

Click the orange 'Create Account' button, it will take you to the below screen. As a new parent who has not created an account before, select 'Create Account.'

Welcome to Xplor

We are always super excited to welcome new users to Xplor and Test Service A1.

We will now take you through a few simple steps to verify your email and set up your new account.

Create Account

I already have an account

From here, create a password that is 8 characters in length and includes a capital letter, number and special character. Then press 'Next.'
