Alien Slime Making Day We will source all the yucky and slimy ingredients to make our own slime today. We might even try and see who can make the gooiest slime monster. Please wear clothes that you don't mind getting dirty!	Bricks 4 Kidz Lego Workshop (Incursion) Bricks 4 Kidz will be coming in with their own huge LEGO resources to run a Lego building workshop with our OSHC kids today. We are super excited to have a Lego themed incursion and are very keen to book this session out. Please note this day is 100% capped at 25 kids.	Whole School Scavenger Hunt Weather permitting, we will do a whole school outdoor scavenger hunt in teams! The team who finds the most weird and wonderful objects on their list will earn glory (and maybe a yummy prize!). If it's too rainy, we will adapt the scavenger hunt to be indoor friendly.	Movie-Making & Film Technology Day In groups, we will grab iPads and use iMovie to make experimental and creative movies – which we will share with the whole group at the end of the day. We might even run our own miniature film festival. Feel free to bring costumes, extra props and toys you might want to use in your short films.	Town Oval Picnic & Walk Weather permitting, we will do some exploring of the town oval before settling down in the very middle for a delicious picnic. Feel free to bring a healthy and nutritious platter or plate to share with your OSHC friends. Don't worry if you forget, OSHC staff will be serving our usual platter goodness. If you have a picnic blanket, feel free to bring that along as well!

Build Your Own Obstacle Course Day We are going to raid our OSHC room, as well as politely exploring the gym store-rooms, to see what weird and wonderful things we can use to make obstacle courses. We will try and make some super challenging courses and run time trials to see who can make it through the quickest!	Baking With Beth Our OSHC teacher Beth has an amazing gift for baking, and her last cooking workshop was very popular with the kids! Beth will be leading another group baking session today with some activities to coincide with the creative cooking. Make sure you come with an empty belly!	Stay Active's "Winter Warmup" (Incursion) Stay Active are coming to our school gym today to run some fun physical games & athletic activities to remind us about how important it is to stay fit, even in the colder months. Make sure you wear trainers or running shoes today! Water bottles will also be crucial! The local council is running this activity so we might see some friends from the community!	Bring Your Wheels to OSHC Weather permitting, we will do our usual adventures around the town oval on our bikes! Bring a helmet and your favourite wheels from home! If it is pouring with rain, bring a skate-board or scooter and we will run a "quieter" wheels session in the gym. We just can't use bikes in the gym, but skateboards and scooters are good to go!	Crepes & Crafts Today we will whip out our paint-brushes, pom-poms, string, glue, glitter and anything else crafty to make some wild creations. Come ready for some pancakes which we will serve mid-afternoon to warm our winter bellies.
