

YEAR 3 AND 4 LEVEL INFORMATION SHEET

TERM 4, 2025

Dear 3/4 Families,

Welcome to Term 4! We hope you had a wonderful break and are feeling rested and ready for an exciting new term. Below is a summary of what your child will be learning this term, along with some key information to keep you updated.

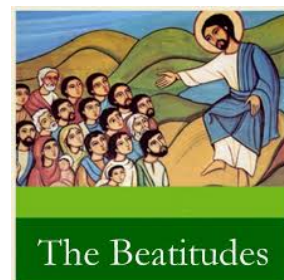

Reminders:

- Although the school day begins at 9am please arrive as close to 8:45 am as possible in readiness to start the day promptly.
- All students must bring their signed diary on Fridays for teachers to check
- Absences can be reported to the school via Parent Access Module (PAM)

KEY CURRICULUM AREAS

Religion

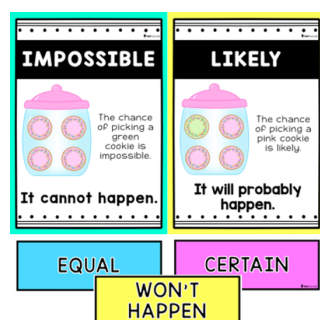

Within **Religious Education**, we are learning about the Catholic Social Teachings. We are exploring the connection between The Ten Commandments (Exodus 20) and the Beatitudes (Matt 5:1-12) and how we can use these teachings in our lives today.

Literacy

In **Reading**, we are learning about sustainable farming practices and watching the documentary, 'Kiss The Ground' which teaches about the importance of the soil in reducing Global Warming. In the second half of the Term, we will explore the text 'Kensuke's Kingdom'. which follows the friendship of a boy named Michael and Kensuke, a Japanese World War II veteran. In this text we will explore their growing friendship along with themes including conservation and the importance of family.

Within **Writing**, we will focus on persuasive writing, including the use of high modality words such as 'must,' 'will and 'absolutely' and how to structure persuasive paragraphs.

Numeracy

This term in **Mathematics**, students will continue to build their recall of known facts through our Daily Review. We will begin the term with a focus on chance, review of fractions and an introduction to decimals. This will be followed with a focus on location followed by statistics. During the second half of the term, students will review multiplication and division, 3-Dimensional objects and addition and subtraction.

Throughout the term, students will have plenty of opportunities to practice new skills, while others will be extended to deepen their understanding. This approach ensures that every child can progress at their own pace, whether they are mastering new concepts or furthering their existing knowledge.

Homework

All students are expected to read for at least 60 minutes each week. Please record their reading in their diary, sign it, and ensure it's handed to the teacher every Friday. We also encourage you to practise skip counting by 7s, 8s, and 9s, and to go over times tables with your child. These are important math skills we practise regularly at school and can easily be reinforced at home or even in the car to help build confidence and fluency.

Important Dates

Week 4 - Tuesday 28th October	Whole school learning showcase 3:30 - 5.00pm
Week 4 - Friday 31st October	3/4 level Excursion to CERES
Week 5 - Monday 3rd November	School closure day

Special Occasions including Christmas

Your child is welcome to bring something to share with the other children on their special day. Due to our school policy, no food is allowed to be shared or handed out. If you would like to bring something, we encourage you to bring a small toy or object e.g. stickers, pencils etc.

If you have any questions or concerns, please do not hesitate to contact us.

Kind regards,
3/4 Team
