After the tour, Dad's are invited to join their children at Zwar Park for lunch and Footy/Soccer related activities from 11.30am. All participants are encouraged to dress in their favourite football (AFL/Soccer) team colours. Mums are also welcome to attend the afternoon activities.

We are asking dads who would like to attend either or both the breakfast and lunch to contribute \$10 towards the total cost of the day - this is inclusive of you and your children. You are also welcome to bring siblings who have not yet started at St Raphael's.

Over 130 dads attended our Father's Day celebrations last year which proved to be a memorable day for all. We look forward to seeing you for part or all of this special day!
