

Nyaal Banyul Geelong Convention and Event Centre

APPLICANT INFORMATION

gforce, appointed by Development Victoria, have developed a 12-week **FULLY FUNDED** pre-employment program that will prepare you to work on opportunities associated with this major construction project as an apprentice or trainee.

- ✦ On completion of your pre-employment program, a gforce Consultant will work with you to identify a range of apprenticeship/traineeship opportunities focused on Nyaal Banyul
- ✦ The pre-employment training will be delivered three days per week over 12 consecutive weeks, and you will be paid to complete this training
- ✦ The training will be delivered by The Gordon at their East Geelong campus. All completed Accredited Units will count towards an apprenticeship in the construction sector*. You'll be enrolled in CPC20220 Certificate II in Construction Pathways
- ✦ As part of the program, GenU and Headspace will provide additional work-readiness and vocational training to prepare you for the workforce so that you may be successful on your chosen construction industry pathway
- ✦ gforce has a dedicated Mentor who will provide ongoing advice and support to you throughout the program and during your apprenticeship or traineeship

Intake commences late 2024.

These roles are for candidates who meet the Victorian Government Social Procurement Framework. Contact us to confirm eligibility.

Apply Now!

* Depending on the apprenticeship qualification, credit may apply to carpentry, bricklaying, painting, and plastering qualifications
