

# Courses for Storytellers and Communicators

If you're a storyteller who wants to find creative ways to reach your audiences, come to our information evening and hear about the wide range of courses ECU offers. Our cutting-edge facilities and our close ties to creative industries provide exceptional learning experiences for contemporary creators and communicators

Our brand new creative humanities courses are for creative and curious people who aspire to be artists, broadcasters, communicators, designers, film makers, journalists, media producers and writers of the future.

To register for the event please visit;
