THE EVENT STARTS FROM 2:30PM

SKYE PRIMARY SCHOOL, GYMNASIUM

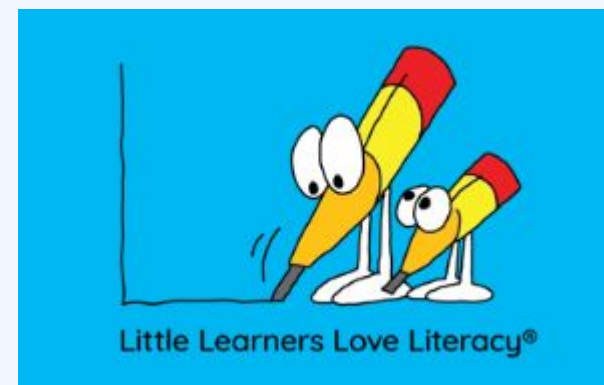

PLEASE RSVP VIA THE QR CODE

About

Little Learners Love Literacy is an evidence based program that stresses the importance of explicit direct instruction that teaches children to read, write and spell.

At Skye Primary School we have embedded this program from Foundation to Grade Two.

The sequence

Little Learners is an eight stage sequence that begins in Foundation and builds upon grapheme and phoneme knowledge until Grade Two. This ensures children are never asked to read something that is too difficult for them or that they haven't been taught the skills to read yet.

Decodable Books are the 'secret ingredient' for success. They only use the sounds and letters children have been explicitly taught allowing them to apply their learning and build confidence.

Take home readers

Fluency, Fluency, Fluency

Take home readers will be available and assigned weekly to your child. These texts will be books that they have been exposed to in the classroom through small groups and independent reading time the week before. The soul purpose for them bringing these texts home are to develop their fluency skills by reading aloud.

Hard copy

Students may be sent home with a hard copy leveled text.

Students will also attend the library once a week where they will borrow a book for the love of reading and can be read together at home.

Online

Students will also have access to the online platform and assigned leveled texts where they can read anywhere/anytime and complete a fun quiz after reading

What it looks like

Reading at home

with decodable nonfiction

The love of reading

Skye Primary School Library is open every Friday morning before school for families to come and enjoy with your child, you can read and borrow books for home.

Have a go

There are some hard copy texts around for you to have a look at, flip to the back and check out the how to enjoy this text.

You will also see some devices signed into test students for you to explore how the online platform looks and feels.

Thank You
