

Are you interested in playing netball?

The Tatura Netball Association (TNA) Friday Night competition commences
on Friday 24th February, 2023 for girls and boys age 8 to 13 years old.

at the Tatura sports precinct Netball Courts – 20 Hastie Street, Tatura.

The new Autumn competition will run for 10 rounds from 24th February through to 26th May 2023
with breaks for Labour Day long weekend and Easter/School holidays.

Team divisions will be in the following age groups –

9 & Under (born 2014/2015) – 5.45pm

11 & Under (born 2012/2013) – 6.45pm

13 & Under (born 2010/2011) – 6.45pm

How do you get involved?

The first step:

Option 1 – put together your own team – player mix can be from any school or town, making sure players are within the age group for the particular division you are entering and you have a minimum of 7 players. Once you have the team together and have nominated your coach/team leader please email the team list to taturanetballassoc@hotmail.com including this information:

- Team name
- Division
- Coach's name, email, phone number

Player's names	Player's year of birth	Player's school	Parent's name
----------------	------------------------	-----------------	---------------

Option 2 – register your individual players name to be allocated in to a team by the committee. This is a great option if -

- You only have a few friends together but require more players, or
- you are new to the area or to the TNA and would love to join in, or
- you have limited opportunity to contact other families to form a team, or

- you are not sure who is available to play, or
- any other reason.

To register your individual player click on THIS LINK ([FIND ME A TEAM](#)) to fill in the registration form.
Information required:

- Player's name and year of birth
- Player's school
- Parents' name, email, phone number
- Friends' names

The second step:

We need you to register your individual player on the Netball Connect platform with Tatura Netball Association – a separate flyer with further information and a direct link to the **2023 Friday Night netball Autumn competition** will ready in this coming week.

REGISTRATIONS DUE BY 17TH FEBRUARY 2023

Any important information as to the running the competition this year including weekly rosters, modified rules for 9 & Under teams, will be communicated via coaches and team managers.

We encourage all parents/guardians/friends/family to get involved with netball– there are lots of roles – coaches, co-coaches, team managers, committee members, Friday night co-ordinators, fundraisers. This ensures we can provide opportunities for ALL those who want to play netball.
