

I AM Aysha the magnificent

I AM Wise, kind and brave.

I wonder about every question That
needs to be answered.

I see a kind, helpful Kingdom.

I Am aysha the magnificent

I pretend there is no rubbish in the ocean

I feel grateful and a delighted feeling always

I touch the faith in me

I worry I'm not good enough

I cry if I fail

I am aysha the magnificent

I understand, everyone is counting
on me

I say "we can do anything!"

I Dream To help my people in a great
way!

I try To be the queen
everyone wants.

I hope to make my kingdom
a safe place for everyone.

I hear the cheerful laughter
of kids

I am aysha the magnificent.
