## Around the Grounds

### 6A

The 6As finished off their season with a great team performance and strong win over ATC. Batting first the boys scored their highest total of the season, 6/173. With Aidan Field scoring a brilliant 30 not out and Charlie, Patrick and Sam all playing great innings. After the break the boys continued with great bowling to bowl out ATC for 25. A 3 wicket over to Charlie and two wickets to Fred the highlight. I would like to thank all boys and the families for a wonderful season of cricket, the boys should be very proud of the year.

### 6B

Looking to maintain their undefeated run, the MCA 6Bs bowled first and straight away put the opposition under immense pressure with their score 2/4 off the first four overs. Some excellent line and length swing bowling from the entire bowling unit, saw the opposition bowled out for just 46 in 18 overs.

After the break, the team conversation was about having our top order chase down the total having lost no more than 2 wickets - and the top order well and truly delivered on this! At the start of the 4th over, Harvey and Jake had compiled an unbeaten 49-run opening partnership to beat ATC single handedly and, along with strong batting from the next four batters, we were soon 2/124 at drinks. Some late order hitting from Cormac and Levi boosted our total to 5/186 (22 overs), when our innings was declared.

The most pleasing aspect of this undefeated season has to be the humility and positive sportsmanship displayed by our team each and every week. As a team, they improved every single week and should be proud of their individual and team efforts. A special thank you also goes to the parents who, week in and week out, were unwavering in their support of the team and continually offering their assistance as umpires, scorers and supporters. A fantastic win to conclude a wonderful season of 6B cricket! Congratulations gentlemen!

### 6C

The 6Cs finished the season with a solid performance and strong win. Batting first Hamish McDonald and Sam Jones set the tone early with a quick start which included multiple boundaries and high run rate, all batsmen following were able to maintain a high run rate to be 0/97 at drinks. After drinks the boys continued to score freely to finish the 20 overs with our highest score of the season 2/196.

The boys were confident to restrict runs as they have all season, from the 1st over the boys were able to achieve this to have Padua 3/30 at drinks. Following drinks the boys continued their good bowling and fielding to finish the 20 overs with Padua 6/60. Thank you to all boys and parents for what has been a great undefeated season.

Players of the match - Hamish McDonald 37 (13) including four 6s and three 4s and Ben Mulholland 2/10 (2)

### 6 Gold

The 6Ds finished the season with a solid performance against Villa. The boys lost the toss and went in to bowl first, only taking 1 wicket - a beautiful catch by Harry Burnett-Nudd - in the first innings. Apart from several 4s - it was a fairly short boundary - the boys managed to keep the Villa runs down with some swift bowling and good fielding. The boys went into the second innings relatively confident that they could take the match. During this innings a number of boys hit 4s including Harry Maher (who hit four 4s), Theo Katter (who hit two 4s and smashed a 6), Harry Burnett-Nudd, Luke McHardy and Brody Corsini. Despite losing 8 wickets, the boys continued to add runs to their score and credit goes to Liam Santos who pushed hard for runs and stole many singles.

The boys have had a fabulous season with only 1 loss to the MCA 6Cs team, which apparently - according to the boys - doesn't count. The players have been enthusiastic and supportive of each other and seem to have enjoyed the season. Special thanks to the families for all their support and assistance during the season.

---

### 5A

In a thrilling conclusion to their cricket season, Marist 5A emerged victorious against Ambrose Treacy College with a commanding performance. The match, played under the blazing sun, showcased the skills and determination of both teams, but it was Marist who ultimately triumphed, finishing with a score of 5/134 in 21 overs, defeating Ambrose Treacy College's 9/117.

Marist's bowling attack was instrumental in securing the win, with standout performances from Henry Dwyer and Joe Byrne. Dwyer claimed 2 wickets for just 7 runs in his 2 overs, while Byrne also impressed, taking 2 wickets for 12 runs in his 3 overs, applying significant pressure on the opposition's batting lineup.

In response to Ambrose Treacy College's target, Marist's batsmen showcased their prowess with the bat, led by George Swan and Liam Tamer. Swan's unbeaten knock of 25 runs from just 17 deliveries provided

stability to the innings, while Tamer's aggressive batting saw him score a quickfire 19 runs from 10 balls. Noah Newman also contributed a valuable 15 runs from 13 deliveries to steer Marist towards victory.

Noteworthy moments during the match included George Swan's exceptional fielding effort, where he took two outstanding catches and Will Robbins' spectacular catch on the boundary, leaving the crowd in awe and prompting instant admiration on social media platforms. The effort in the field turned the tide in Marist's favour. Liam Tamer's explosive innings drew applause from spectators as he launched a series of big hits to propel his team towards the target.

Reflecting on the season, the Marist team displayed commendable development and potential. The victory in the final game served as a testament to their hard work and dedication throughout the season, highlighting their growth as cricketers. With such promising talent on display, the future looks bright for Marist Cricket.

## 5B

After winning the toss and electing the bat, the boys started off very strong, setting a great platform for rest of the team to follow. Nearly every ball that was in the striking zone got hit to or over the boundary. Angus Hutchinson, Josh George, Rafeal Ahlholm and Will Firouz all got over 15 runs setting a huge total of 227.

Although it wasn't the best bowling performance of the year, they still bowled relatively accurately and on the stumps. Special mention to Eddie for bowling 2 maidens including 1 wicket in his 2 overs. Everyone has contributed in this team in every game and that is why this team has been so successful. It's been a great experience coaching these young talented Marist Men.

Well done to an undefeated season and a well-earned Pizza Party.

## 5C

### BYE

## 5 Gold

After winning the toss and electing to bowl, the boys opened with a few dry overs but when one wicket fell they kept coming. An impressive effort from the boys saw them get Padua all out for just 26 runs the ball before drinks.

The batting effort from the boys was just as impressive with the boys over taking Padua after the first 6 overs. A unified effort from the boys saw courageous partnerships and advantageous running. A very noteworthy performance from Tom with an incredible 47 runs.

The boys ended a great season with a great game. Major improvement from all boys came to fruition when it mattered most.

Excellent season boys, it has been a pleasure!

## 5 White

For another week, the boys showed how they've improved each week. After winning the toss and electing to field Marist was in the control of the game, having Padua D at 5/28 at drinks. Keeping the run rate low, the boys set out to chase 59 runs. Without great running between the wickets, we were able to capitalise on our opportunity, giving us the win for the final game of the 2024 season.

## 5 Green

It's been a fun season boys. Each week has been a pleasure and every minute has been worthwhile. You should all be proud of how you've all played this season especially given the toughness of playing down some boys.

Enjoy the rest of Year 5 and make sure you stay positive

Thanks for the season and thank you parents for taking the boys to and from games and trainings.
