# School Holiday Programs

As the school holidays approach, we're excited to offer a fun-filled program designed to keep kids engaged, active, and learning! Whether your child loves crafting, exploring new activities, or making new friends, our holiday program promises to be an adventure of creativity and fun. We've planned a range of exciting activities tailored to spark curiosity and ensure that the holidays are as enjoyable and enriching as possible.

## **Lego Club Sessions**

**Prep to grade 4**

**10am to 1pm**

**Tuesday 8th April 2025**

**Thursday 10th April 2025**

Our LEGO® Social Skills Club is a creative and interactive space where children come together to build, collaborate, and develop important social skills. Through guided play, teamwork, and problem-solving challenges, kids not only explore their imaginations but also learn valuable lessons in communication, sharing, and working with others. It's a fun, supportive environment where friendships are built—brick by brick

## **My Tribe Girls Group**

**Prep to grade 5**

**10am to 1pm**

**Wednesday 9th April 2025**

The Tribe Girls Group is a supportive and empowering day designed to help young girls build confidence and create lasting friendships. Through a variety of activities and discussions we focus on personal growth while fostering a sense of belonging. The session encourages girls to embrace their unique strengths, build self-esteem, and navigate challenges together, all while having fun and supporting one another in a positive, inclusive environment.
