

Hi There Moree Swimmers,

**We have been offered a fabulous opportunity to be involved in a swim development day at Warialda Swim Centre on Sunday 5th December 2021.**

"The clinic/meet is open to swimmers 9-12yrs, who are members of a swimming club or who are interested in a 'come and try' opportunity. Swimmers need to be able to swim 50m in their chosen events. The main idea of the day is to help teach swimmers the rules and how to avoid disqualifications at carnivals etc. Questions either from parents or swimmers are welcome. Licensed coaches and qualified technical officials will be in attendance to help with questions on all aspects of swim meets."

Please see attached flier for more details.

**How to Enter:**

Getting Involved is easy, simply email Pam Weste with the following details - [nenwatscc@gmail.com](mailto:nenwatscc@gmail.com)

Christian name:

Surname:

Gender:

Date of Birth:

Races / Events they wish to enter with a time if possible. (e.g. 50 Freestyle seed time - 41.50)

\*This does not need to be an "official" time recorded at a carnival. It can be from a club night swim from previous years, a school carnival result or a best guess. The time allows the races to be divided into heats where swimmers race with other swimmers of the same speed.

Please direct any questions to Pam Weste - [nenwatscc@gmail.com](mailto:nenwatscc@gmail.com)

**Ever Considered Becoming a Swimming Official?**

New England North West Swimming are also looking for people who would be interested in training to become a qualified Judge of Stroke, Inspector of Turns, Starter or any other technical official. List of courses available to complete online can be found here - <https://nswtraining.swimming.org.au/courses/> Please get in touch with Pam if you or someone you know would be interested. The development day at Warialda is an opportunity to ask questions about these roles and receive support / information on the day. These qualifications are a great way to give back to a sport you may have once competed in, a way to support your young swimmers or give back to a sport that you love.

Please forward this email to family, friends or new arrivals to town. We know that without a pool in Moree we have very little opportunities like this so don't miss out!

Warm Regards,

Cassie Coleman  
Moree Swimming Secretary
