

# Class in 2025

Dear families

At the end of this year, **we will wipe all classroom data stored for 2024.**

When you place your first order in 2025 you will see this error message, asking you to **update your child's classroom before placing your order.**

Head over to the Child Profile Page, tap on a child, select edit and choose from the dropdown list of classrooms provided by your school.

You won't be able to order until you have updated your classroom.

This is to ensure a smooth and efficient delivery process.

Many thanks

The LunchFox Team
