What's up at Kelly Club?

What We've Been Up To!

What an action-packed time we've had at Kelly Club! Our **How to Train Your Dragon Week** was filled with creativity, adventure and plenty of fun. The children designed their own dragons, cooked Dragon Egg Cookies, created Viking shields, built Berk with LEGO, made flying dragons and finished the week with a fantastic Dragon Dancing Celebration! 🐉🔥

We've also had an **out-of-this-world adventure** as the children explored space through creative activities, imaginative play and exciting challenges. From discovering the galaxy to creating their own space-inspired adventures, there was plenty of fun, laughter and learning along the way! 🌌🚀
