### Improving the Employment Prospect of Young Job Seekers

This presentation will run concurrently on the evening and is only open to students from Years 10, 11 and 12 along with their parents. It commences at 6:00 pm sharp and will conclude at 6:45 pm allowing students to then spend the last hour and a quarter in the Sports Stadium.

**This session is filling up fast and the booking site will close when all seats have been allocated.**

#### [BOOK FOR THIS INFORMATION LECTURE HERE](#)

The information will be presented by Ivan Neville who is the manager of the Labour Market Research and Analysis Branch in the Australian Government Department of Jobs and Small Business (formerly the Department of Employment). Ivan leads a team that undertakes in-depth analysis on a range of Australian labour market issues, including identifying the current and future demand for skills; understanding recruitment issues and what employers are looking for; and helping job seekers prepare for the changing world of work.

**There is no obligation to attend the lecture as many students and their parents may wish to spend the whole night investigating the comprehensive course and career information in the Sports Stadium.**

Thank you.
