

Moreland Children's Services Unit presents

Great kids have great dads

Free interactive two-hour presentation for dads

Great kids need to have great parents and you can be that father or father figure you've always wanted to be.

In this session we will talk about what it means to be a dad and the ways you can raise healthy, happy kids.

The session will be facilitated by Dom Alford from Parentzone Northern. Parentzone Northern is the regional parenting service for the Northern Metropolitan area of Melbourne. Parentzone and the programs it offers are funded by the State Department of Education and Training and the Australian Government Department of Social Services.
