

# Works Notification

## Works happening in your area

Heatherton | March 2024

Works are underway in Heatherton to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

These works include site investigations, moving underground services, earthworks, safe removal of hazardous materials, demolition of existing buildings and construction of a tunnel access structure.

Works will be primarily undertaken during extended day-time working hours (with approvals in place).

All timings are weather permitting.

### 217 KINGSTON ROAD

#### March

- Earthworks and piling for the Network Support Facility
- Ongoing safe removal of hazardous material
- Ongoing construction of the tunnel access structure
- Tree removal west of Dingley Bypass
- Connecting underground services to the site.

### 171-175 AND 172-176 OLD DANDENONG ROAD

#### Ongoing until mid-April

- Demolition of existing buildings
- Safe removal of hazardous materials.

### 150-170 OLD DANDENONG ROAD

#### From early-March to early-April 2024

- Site investigations to locate underground services and assess ground conditions
- Earthworks to prepare the site.

### OLD DANDENONG ROAD

#### Ongoing until late-March

- Site investigations to locate underground services and assess ground conditions
- Overnight works for up to four nights to remove traffic barriers.

### DINGLEY BYPASS

#### Mid-March for up to four nights

- Placement of concrete barriers
- Overnight works to install traffic barriers.

### ELDER STREET SOUTH AND KINGSTON ROAD

#### Late-March to early-April

- Site investigations to assess ground conditions (this includes overnight works on Kingston Road).

#### Day-time working hours

6am - 6pm, Monday to Friday

6am - 1pm, Saturday

#### Night-time working hours

6pm - 6am, Monday to Sunday

### How we will manage our works

We will minimise impacts to the community by:

- Positioning equipment away from residents and businesses
- Undertaking works that may impact traffic during off-peak times as much as possible
- Using water carts onsite to minimise dust
- Using machinery and equipment that minimises noise as much as possible
- Offering respite and using noise reducing equipment for noisy works.

### Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

The project will support businesses and residents to ensure people can continue to live, work, study and shop in their local community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

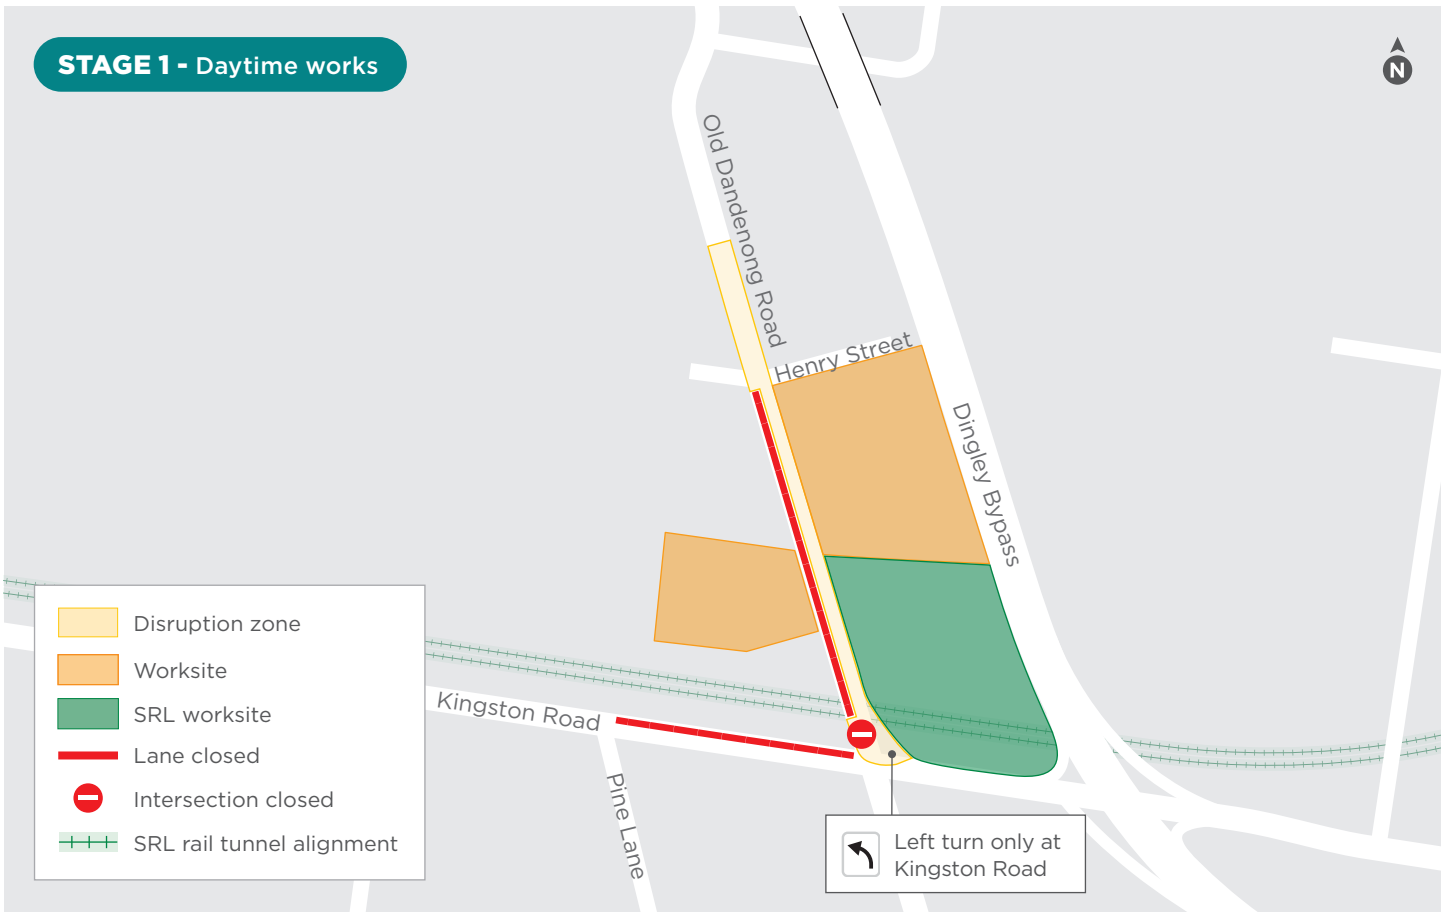

## Traffic changes

Traffic changes are needed to complete these works. Detours and reduced speed limits will be in place. Please follow all traffic signage. Vehicle and pedestrian access to homes and businesses will be maintained at all times.

Please see the table and maps for details of traffic changes in the area.

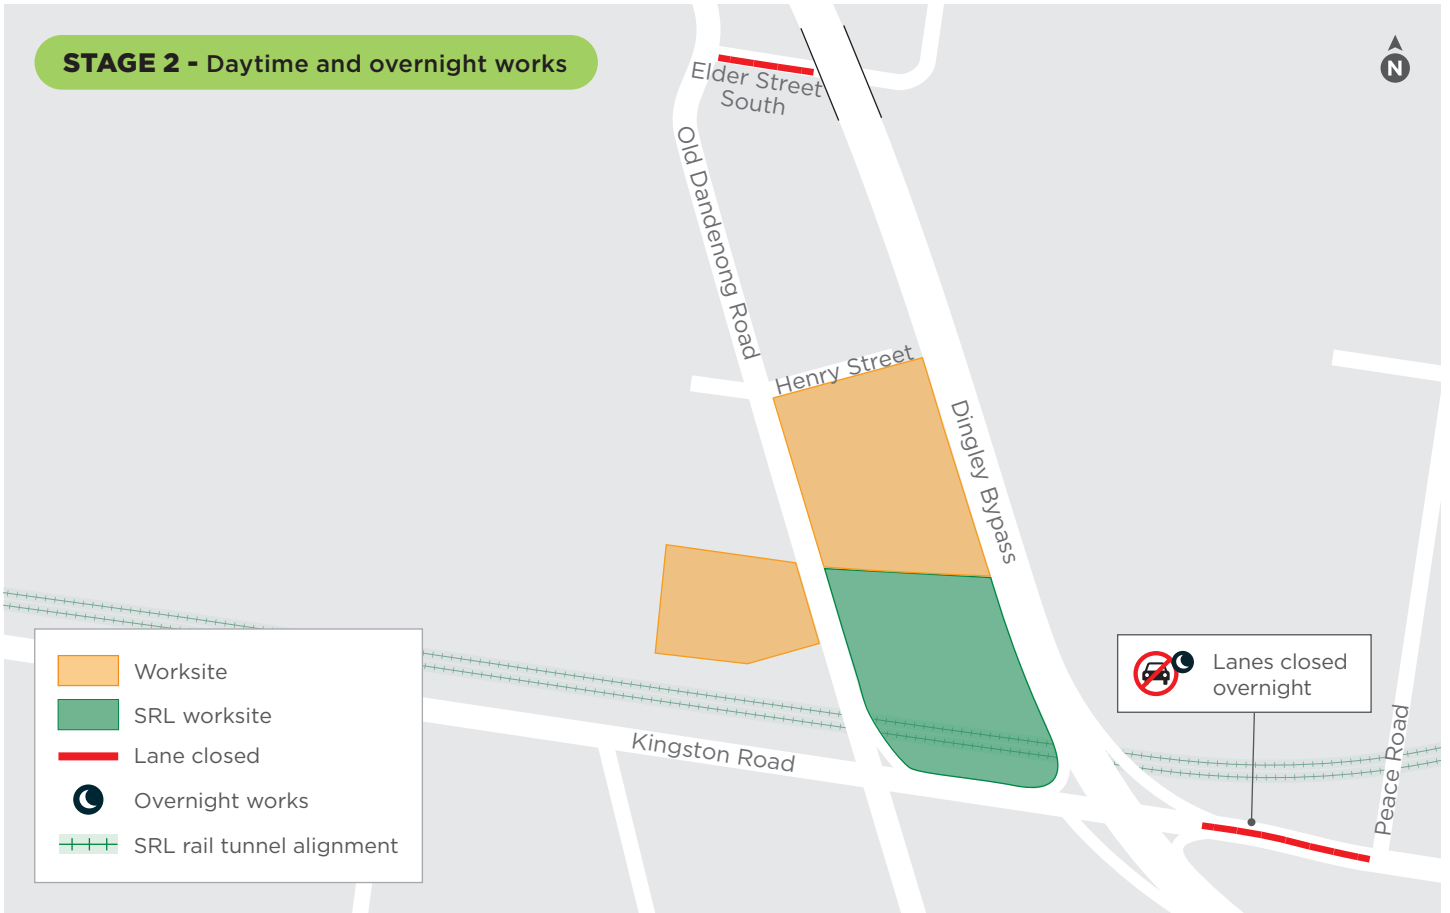

Dates	Travel change
<b>STAGE 1</b>	
From early-March to late-March	<p><b>Old Dandenong Road</b></p> <ul style="list-style-type: none"><li>— Overnight road closure for up to four nights from mid-March</li><li>— Redirection of southbound traffic at times to facilitate works</li><li>— Northbound lanes closed</li><li>— Left turn only at Kingston Road</li><li>— No southbound access from Old Dandenong Road across Kingston Road</li></ul> <p><b>Kingston Road</b></p> <ul style="list-style-type: none"><li>— Lane closure during the day and overnight. Traffic maintained in both directions</li></ul> <p><b>Dingley Bypass</b></p> <ul style="list-style-type: none"><li>— Overnight northbound road closure for up to four nights from mid-March</li></ul>
<b>STAGE 2</b>	
From late-March to early-April	<p><b>Elder Street South</b></p> <ul style="list-style-type: none"><li>— Lane closure. Traffic maintained in both directions</li></ul> <p><b>Kingston Road</b></p> <ul style="list-style-type: none"><li>— Overnight lane closures for up to two nights. Traffic maintained in both directions</li></ul>
