

Botanic Gardens of Adelaide School Holiday Program April 2014

The Botanic Gardens will be running school holiday activities suitable for 5-12 year olds from 14th – 24th of April 2014. Activities are designed to promote fun, hands on learning about plants, people and the environment. To book, Phone 8222 9311.

Paint a Pot / Garden Gnome / Plant Marker (from \$6)

Fill your garden with colour and creativity, inspired by the SA Water Mediterranean Garden. Paint a pot (various sizes) and plant some seeds or take a bit more time and paint one of our 'Little Mess' Gnomes or Plant Markers. Prices start at \$6 and a variety of styles and sizes are available while stocks last. Bookings not required.

Bonsai – Bookings Essential \$25

Discover the ancient art of Bonsai and create a plant that just might last a life time. You'll learn how to select, trim, shape and pot your bonsai then we'll share some tips and tricks about how to look after it when you take it home!

Plant Heads – Bookings Essential \$10

Plant heads are a great way to get growing – and eating! You'll love creating these cool plant heads that will sprout real, live, edible hair!! Yummmm!

Fake Fossils – Bookings Essential \$10

You might not know it but our botanic gardens are full of dinosaurs! Come on a journey through time as we introduce you to some of the dinosaur plants that covered Gondwana land. Discover how dinosaurs changed our planet then excavate your own fake fossil block and take home the fossils you find.

Aboriginal Plant Use *Free*

Learn how Aboriginal people use the plants of the Australian bush to provide food, shelter and medicine. Meet on the Schomburgk Pavilion, Adelaide Botanic Garden – no bookings required.
