

Become a Foster Carer

In Western Australia there are over **5,000 children** living in care who require a loving home. But there are insufficient Carers for these children.

Care can range from **short- to long-term** and as a Foster Carer, you will receive a subsidy. Our dedicated teams of professionals are also there to support you every step of the way.

If you are interested in fostering, please come to our next information session on **Thursday 15th June 2023, from 6 to 8PM** at Department of Communities, 190 Stirling Street, Perth. Refreshments are provided.

Contact Narelle Whitfield on **0408 000 375** or
PertCareSupport@communities.wa.gov.au
to find out how to get involved.
