# Mawsons Operations Cadetship 2024

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. Across these regions, Mawsons are prominent players with over 500 employees across 80 sites. Trading also as Milbrae and Country Concrete, with a history spanning 110 years and Adbri as a Joint Venture Partner, Mawsons are very well established and highly regarded.

## **The Opportunity**

Mawsons Operations Cadetship launched at the beginning of 2023 and we are again offering this successful program.

This is exciting opportunity for 18–25-year-olds to complete a 12-month cadetship commencing in February 2024. Our goal is to secure local talent and provide development opportunities and experience to young people in the communities where we work. Mawsons also welcome applications from school leavers over the age of (or turning) 18.

The successful candidates will be rotated through four of our primary operations areas; concrete, quarries, technical and workshops (mechanical, fabrication & engineering) and be assigned a mentor to provide meaningful, practical support and guidance throughout the cadetship. Over the 12 months, Cadets will have the opportunity to gain valuable industry experience, practical skills, training, and workplace knowledge from our friendly, professional teams whilst earning a competitive wage.

At the successful completion of the cadetship the objective is for each participant to be offered a suitable permanent role at Mawsons dependent on their skills, preferences, desired work location and the business needs at that time.

## **To Apply:**

Download and complete the application form from the following link

<https://www.mawsons.com.au/careers/join-us>

A position description outlining the scope and duties of the cadetship are also available at this link. Then submit your application form, with a current resume, to [recruitment@mawsons.com.au](mailto:recruitment@mawsons.com.au).

Applications close: **Friday 24<sup>th</sup> November 2023**
