

# LEGO® HOLIDAY WORKSHOPS

**BRICKS 4 KIDZ® school holiday workshops using LEGO® Bricks are a fun way for boys and girls to spend their school holidays in Hobart.**

With our own special BRICKS 4 KIDZ® models and lot of creative free-play building, kids always have fun at our LEGO® workshops!

Our school holiday programs are designed for kids aged 5 – 12 and are staffed by trained, screened BRICKS 4 KIDZ® instructors. Children will rotate between different stations during our sessions and work and play with different types of LEGO® - including Technic pieces such as gears, axles, electric motors as well as coding and programming LEGO® models in our Robotics Workshops.
