

We are now seeking expressions of interests of students who would be interested in being a part of the program and families for billets. Please [email](#) expressions of interests to Miss Hannah Files-Burke, PA to Deputy Principals.

This is a fantastic opportunity for Sunraysia students to experience Chinese culture. Many of our leading businesses and exporters have strong links with China and this type of program will enable our students, and their families, to grow in appreciation and understanding of Chinese life.

Students will also get the chance to visit many world-famous sites such as the excavation site of the Terracotta Warriors and live with a Chinese family for a week in Dali city. Dr Tony Finn will be co-ordinating the program which works very closely with Red Cliffs Secondary College, Merbein P-10 College and Trinity Lutheran College. It is a wonderful example of Sunraysia schools working together to advance the region and to build relationships with our sister city in Dali, China.

More information on this inspiring experience and opportunity will be available in the coming weeks on the College website and on Skoolbag.
