## Around the Grounds

---

### 6A

Marist 6A won the toss and sent St. Patricks into bat on a very windy Saturday morning. After a somewhat subdued start Marist were sparked into action by a wonderful piece of fielding from Will Robbins which resulted in a much needed run out.

Marist then applied the pressure with improved line and length bowling with our spin bowlers Angus Hutchinson and Will Davies applying some great pressure and being well supported by our medium pace bowlers Henry Dwyer and George Swan. The bowling was also well supported by some good fielding lead by Will Nolan who took a number of excellent catches on the boundary.

Marist then opened their account well with our openers Harry Gerraghty and George Swan (Captain) providing a great foundation. Gus Graham and Noah Newman provided good partnerships with Charlie Maclean hitting a quick fire 14 runs. The win was then assured with some big hitting from George Bond (16 not out) who hit the winning runs.

A satisfactory win from Marist 6A's...a game in which the boys played well in sections. Marist 6A's are building nicely into the season and are well primed for a more well rounded performance next Saturday.

### 6B Blue

#### 6B Gold

Losing the toss and going out to bat Marist looked comfortable against an Iona B team previously beaten by 6B Blue, a second ball wicket hurt this notion and the boys knew the game was afoot. A strong defensive partnership between Tom and Jack helped steady the boat and put a few runs up on the board. A few easy singles on a big boundary kept adding up as did the pressure. A few easy fours by captain Ted in the middle order definitely showed Iona they were here to win.

A couple more unlucky wickets on the tail end brought back the retire Tom and Ted who stayed around until the end and put an impressive 24 and 23 respectively. With 117 to defend bowling and fielding would have to be top class.

A good opening spell by James and Clancy helped set the tone with 2 easy wickets in the first 2 overs followed by a textbook maiden from Eddy Moloney. The easy bowling and fielding was abruptly stopped with a strong middle order form Iona who could put even the best ball in the outfield. A good run out helped the boys back on track just before drinks keeping Iona to 5/45 after 12.

A last session filled with good bowling good fielding a great catch behind from Ed Caton and a few more in field helped the boys finish out the game by the 19th over.

Great game boys effort was there today and showed the consistent performance improvements till next week.

### 6C Blue

#### 6C Gold

Marist 6C Gold continued their winning streak with a dominant performance, defeating Villanova 6C by seven wickets. After a delayed start, the team wasted no time making an impact, with Jovi Zanre striking on the second ball of the game. Lucas Nightingale followed with two consecutive wickets in the third over, and Quinn

Watson came close to a hat-trick, also claiming two scalps in his first over. Thomas Cairns added to the tally with a wicket in his opening over, while both Oscar Symonds and Jovi Zanre delivered impressive maiden overs.

Chasing 51 for victory, the boys batted with confidence, racking up boundaries with ease—Jovi Zanre (two 4s), Oscar Symonds (four 4s and a six), Lucas Nightingale (one 4), Thomas Cairns (three 4s), and Quinn Watson and Liam Mortimer also finding the rope. A great all-round effort with strong teamwork and positive energy secured another well-earned win!

#### 6D

Our mighty 6Ds had a tough start to their innings with some red hot bowling from ATC. With many batsmen in the sheds we needed some stability and patience and we got that from Conleth, Callum and Henry who all remained unbeaten. The SE winds picked up and so did our energy levels. Our bowling was excellent with great spells from Emerson and Conleth. Our fielding was electric with two run outs from Henry J. It went down to the final over with ATC getting the win.

---

#### 5A

Marist 5A delivered another strong performance, securing a convincing victory over St Patrick's College 5A, chasing down the target in just 13 overs to win by five wickets.

With a focus on maintaining energy and enthusiasm in the field for the full 25 overs, Marist set the tone early. Their disciplined bowling and sharp fielding efforts restricted SPC to 4/47 at the drinks break. Max Davis (2/3) and Leo Mylne (2/9) led the bowling attack, while Jack Mannix (0/1) kept things tight. A few missed opportunities allowed SPC to push their total to 6/110, but overall, Marist controlled the innings well.

In response, the top order fired once again. Jack Mannix, Ryan Noronha, and Hugo Henderson laid a solid platform, keeping the scoreboard ticking over. Leo Mylne contributed with another valuable middle-order cameo, ensuring the chase remained on track. Marist passed the opposition's total comfortably in the 13th over, showcasing their ability to manipulate the field and control the game.

With momentum building, the team now turns its focus to tougher opposition ahead, aiming to continue their strong form and further refine their game.

#### 5B

The 5Bs had another strong win against a tougher opponent, St Laurence's. We chose to bowl first and did well to limit wides and extras. Ricky Onal was the standout bowler of the day, while Beau Dwyer fielded superbly, taking a great catch and executing a runout on consecutive balls. Our tight bowling restricted them to just 90 runs.

The boys started well with the bat, applying what they had learned in training and making the most of every scoring opportunity. With most batsmen retiring and Henry Vos playing some cracking shots, we comfortably reached the target."

#### 5C Blue

5C Blue produced an outstanding bowling performance despite falling just short in the run chase of St Pat's 79, losing by 8 runs with total of 3/71.

Marist started fast, taking 3 wickets in the first two overs highlighted by bowling performances from Man of the match Connor McGovern 2/6 and Harry De Luca 2/7. A focus on fielding at training during the week, was clear among the team with the boys looking sharper and more intent in the field. The determination shown by the Marist boys was very pleasing to watch, with catches and run outs taken. The boys held St Pats to a total of 79

despite a few standout performances from the opposing batsmen, looking in good stead to chase down their total.

The team started off strongly with openers Seb Smythe and Cian Dillon, putting the team in a good position to win. However, despite the efforts of top scorers Cian Dillon and Liam Carman, both contributing 12 not out, batting was tough. As a result, the boys fell agonisingly short, 8 runs from the target.

The boys should hold their heads up high for their efforts today against a B team, playing together as a team, and in the Marist Way.

### **5C Gold** **BYE**

### **5 Violet**

The boys of 5 Violet had a spectacular all round game today with fantastic displays of batting and bowling. Some incredible shots all around the field today with boundaries flowing for our opening batters Harry and James which set the tone for the rest of the innings. A shoutout to Edward Mackay who had an incredible first ball wicket to start of the day as well as hitting the winning runs to finish it off. Overall the boys chased down a total of 8/72 and had a dominant victory posting a score of 3/105.

### **5 White**

The 5 White cricket team put in a strong performance this week, with Harrison Fleming stepping up to play after already representing the Violet team and taking four wickets—two of which were run-outs, highlighting the team's significant improvement in bowling and fielding. Noah Packer led the batting effort, retiring and later returning to the crease, finishing with a solid boundary for four runs. Most notable throughout the day was our improved bowling. All boys showed that they are responding to the feedback given by both coaches and we know that a win is just around the corner.

As we head into training this week, our focus will shift to batting to ensure we see out the full 20 overs. With continued improvement, the boys will keep building strong totals, enjoying their cricket, and pushing for more success. Most importantly, it was great to see them playing in good spirits, with smiles on their faces and growing friendships. Well done, 5 White!
