

# Alice and the Magic Donuts

By Prep A

## Alice at home with her aunty

Once upon a time, there was a little girl called Alice. She was a cheeky girl who loved to eat lots of noodles. She was cute and had orange hair, blue eyes, and a pink dress. She lived in a famous city with her aunty, and together they enjoyed a lovely, happy life.

## The ladybug trade

One day,  
Alice's aunty  
told her to  
sell her only  
ladybug at  
the shops.  
So off she  
went. When  
she arrived,  
she came  
across a

strange woman who had chips in  
her hair and blueberry glasses. The  
strange lady offered Alice ten  
chocolate donuts in exchange for  
her ladybug. Alice loved chocolate  
donuts, so she said yes!

## Donuts in the blueberry garden

When Alice got home, her aunt  
was very angry. She threw the  
donuts out of the window and into  
their blueberry garden.

## The chocolate donut farm & bird

Overnight, something magical happened—the chocolate donuts grew into a chocolate donut farm, complete with a chocolate donut bird! Alice was very curious, so she climbed onto the donut bird's back and flew high up into the clouds.

## Magical fairyland in the clouds

When Alice reached the top, she found a magical fairyland filled with giant marshmallow pyramids. She began eating the marshmallows, but suddenly a mean scientist appeared and started chasing her around the fairyland.

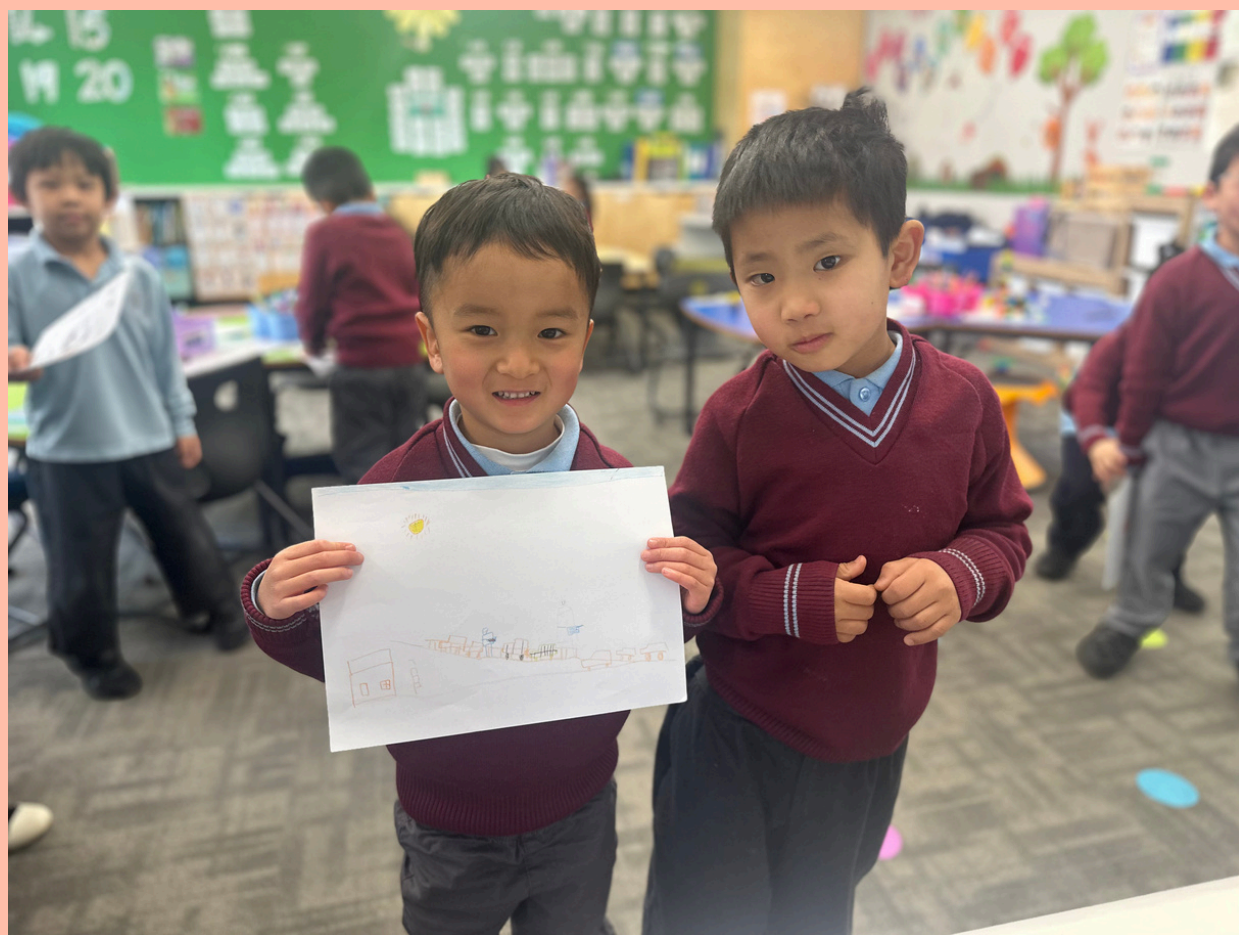

## The chase & escape

Alice needed to escape quickly. She threw green toxic donuts at the mean scientist, making him feel sick. While he was distracted, she grabbed a special money potion and flew away on her donut bird. She returned home safely to her aunty, and with the magic money potion, they became rich. They lived happily ever after.

**The end.**
