

# Learning about Dispositions

Meet Captain Disposition.

This year our school is embedding the Minds Wide Open Seven Dispositions program into teaching and learning across the curriculum.

This term the students have met a new superhero called Captain Disposition. He will be our school mascot for promoting and encouraging the use of the Seven Dispositions. Captain Disposition will assist teachers to train students in how to use the 'seven superpowers' for learning, problem solving, resilience and more.

The Seven Dispositions are the pro-active traits common to all high achievers and successful learners. They are:

1. Open-minded
2. Flexible
3. Risk-taker
4. Resourceful
5. Patient and persistent
6. Ubiquitous learner
7. Reflective

“Dispositions describe a person’s inclination to use particular skills when faced with problems to solve, ideas to evaluate or decisions to make.”
