

PROPOSED TERM 4 – 2025 DATES FOR YOUR DIARY

Dear Families and Carers,

Please save the dates for Term 4 events and experiences in the Junior School. The dates are sent in good faith and the term fluidity attached to them. As the term progresses, refer to information on the Hub uploaded on a Wednesday in the weekly communications. Please take a moment with your child to record experiences that relate to them in their school diary to assist them in knowing what experiences beyond the classroom they may be involved in.
