

# Harmony

We show harmony by being  
respectful learners and  
kind.

Respectful learners sit properly on the floor and at their table.

Respectful learners put their hand up to speak and wait to be called on.

Respectful learners listen to adults and other students.

# Class! Yes!

Bell

"class, class, class"

"waterfall"

"hands on..."

Respectful learners stop, look, and listen when prompted.

Kind students help when people are hurt.

Kind students help when people are feeling sad.

Kind students show respect by using nice words.

Kind students help when others are stuck or don't know how to do the work.
