Dear Candidate,

We are looking for enthusiastic and motivated individuals to join our swim instructor team at State Swim Osborne Park.

If you enjoy working with children and are passionate about water safety and teaching children to swim - an important life skill - then we have the job for you!

New swim instructors will be offered the following as part of their employment at State Swim Osborne Park:

- After completing three months of continuous paid employment, we will reimburse you for 50% of the cost of your swimming qualification. We will notify you via email when this period is complete. Approved training providers include Austswim, Royal Life Saving and Active Training. Please respond via email [osbornepark@stateswim.com.au](mailto:osbornepark@stateswim.com.au) with a copy of your receipt.

*Please note: We request that you forward your receipt to us after you have completed your three month paid employment and only an emailed copy of the receipt will be accepted.*

- The reimbursement will be included in your next pay.
- We will also provide you with a free Provide CPR HLTAID009 course, valued at \$55.00. This will be through a subsidiary of our business, RTS Training Group. To book this course please contact Mike Bennett, Operations Manager State Swim Osborne Park, with the nominated day you would like to do the course. Courses run every day including weekends.

This offer is available for all Year 12 students who are interested in becoming a qualified swim instructor. Feel free to forward this information on to your friends.

We look forward to working with you.

Yours sincerely
