

# DONATIONS

## Second Hand Uniforms for the Uniform Shop

We thank you for your generosity in donating your unwanted uniforms to the school. These will be sold to, and for the benefit of other parents and for the school to run the Uniform Shop. These are donations and we don't pay or swap for new or second hand garments. We have a donations bin in the Interview Room opposite the office for your convenience to drop off when it suits you.

Before you donate your items please inspect them and ask yourself:

***“Would I buy this second hand uniform for my child?”***

Please note we ask that donations meet the following expectations:

- They are washed
- All name labels are blacked out so the previous owner's name is not visible
- They don't have broken zips
- They don't have rips or tears
- They don't have excessive fading or stains

Between 70-90% of the items donated are not saleable and need to be repaired or disposed of, either to second hand resellers who will accept these items or in the bin. This takes up the precious time of our volunteers to sort these. See examples of items that are not acceptable.

Excessive Fading

Rips

Rips

Holes and wear marks

2cm square rip

Stains
