

Buddy Hands
Students will be given a chance to nominate friends they would like in their class next year. We guarantee at least one friend from their list. The hand is completed at school.

Teachers and Leadership consider many factors when placing students in classes. This includes social, academic and emotional needs of each child. We believe that all our students can learn and that building their friendships, both old and new, is a crucial part of a child's education.

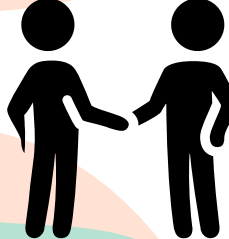

Time in next level
Students will move with their current class to a teacher currently in the next level up.
17th November @ 1pm for Q&A with a teacher currently in that level.
31st November @ 12:45pm for activity/games. **They do not meet their 2024 teacher in these sessions.**

Parent Requests
Please read the parent request letter sent out to all families.
Parent request forms must be submitted at the office or directly to Nieta by Friday 17th Nov,

2024 transition @ WPS

Meet the Teacher
Students will be informed of their teacher next year and all students from this year's Prep - 5 will participate in a transition activity with their 2024 teacher and class.
15th December @ 12:30pm
