## Corpus Christi Primary School

An update despite an unprecedented lockdown ☹️

### WHAT'S BEEN HAPPENING...

#### A Quick Update...

Hello everyone and welcome back to term 3!

We hope you have enjoyed the break and are excited to be back. Despite being put back into another lockdown just a couple of days after returning, it has been great to see so many faces at OSHClub again.

We understand that being in lockdown must be difficult for you all so at OSHClub we have been focusing on looking out for one another and being kind through the implementation of our kindness box. The kindness box allows us to write nice things about each other and the things they have done, with the kindest person of the week receiving a prize.

We have also had the opportunity to engage in some really fun activities including learning about veganism, painting and playing various board games.

The start of the term has also been the start of the Moovosity challenge. The Moovosity challenge allows us to develop our sport skills and qualities on top of prompting positive behaviors and the value of teamwork through participating in various sports challenges and games.

We have been having a great time and cannot wait to see many more children return after the lockdown.

## RECIPE

### Vegan Burger

#### Ingredients

- 2 medium carrots, grated
- 1 medium courgette, grated
- 50g chestnut mushrooms, finely chopped
- ½ tsp dried oregano
- 1 tbsp chopped fresh flat-leaf parsley leaves  
pinch of cayenne pepper
- 1 tbsp tomato ketchup
- ½ tsp soy sauce
- 150g fresh brown breadcrumbs
- 1 tbsp chia seeds or 1 tsp egg substitute powder
- 2 tbsp sunflower oil

#### Method

Put the grated carrot and courgette in a clean tea towel and squeeze out the excess liquid. Transfer to a bowl and add the mushrooms, oregano, parsley, cayenne pepper, ketchup, soy sauce and 100g of the breadcrumbs. Mix well and season with a little salt and pepper.

Put the chia seeds (if using) in a small bowl with 3 tablespoons of cold water and leave for 5 minutes until thickened. Add the mixture to the vegetables in the bowl or, if using egg substitute, mix the powder with 2 tablespoons of cold water then add it to the mixture. Shape the mixture into 8 burgers and coat each burger in the remaining breadcrumbs.

Heat the oil in a large frying pan over a medium heat and fry the burgers in batches for 2–3 minutes on each side until golden and crisp.

Enjoy!
