BRIGIDINE ASSOCIATION RELIEF FUND

We would like to inform you of a special fund created by the Brigidine Sisters to support needy families including refugees, migrants, families experiencing long term unemployment or illness, Koori students, adolescents living independently of their families and low income working families who do not qualify for government assistance programs.

Donations from the public, together with the annual contributions from each of the Brigidine Secondary Schools will, over time, generate sufficient income to support a significant number of students in their education.

Your support will make a difference in the life of a young person in a world where the acquisition of skills and competencies remain the key to breaking the cycle of poverty and disadvantage.

If you would like to help, please contact the Finance Office.
