

SHOUT OUT!

STORYTELLING COMPETITION

[UNBREAKABLE]

Shout Out! is the award-winning competition connecting communities across the Western Downs through storytelling. Everyone has a story: and we want you to tell yours, in your own way.

Write or record your **unbreakable** stories:
How have you shown resilience through the recent weather events or personal adversity?

Enter our Youth or (*new!*) Open category to have your story professionally produced into a short film + premiered at Words Out West 2024.

Overall winners score \$250 in cash, too.
